

Dwight O'Douls

His support animal, Bernie.

Age: 2 years

Sex: Male

Weight: 95 lbs

Breed: Bernese Mountain Dog

PERSONALITY

Bernie can come off as aggressive to smaller dogs, but really he's just a big goof. He will not bite other dogs nor people. Bernie's picture is outdated! His large size

HEALTH & GROOMING

Bernie, is groomed once monthly. He has thick fur which seems to attract natural elements due to his playful and exploratory demeanor. Bernie is up to date on all his vaccinations.

ABOUT THE OWNER

Dwight's a Communications major at a University with plenty of nearby parks to take his beloved Bernie. Like most college students, Dwight doesn't appropriate funding for anything other than weekend bar crawls. Although Dwight considers himself to be hip and internet connected, he's struggled to find dog friendly establishments and other local dog owners to meet up with.
